

Step 1 – create parent account

After you have completed the enrolment form for your centre, you will receive a confirmation email that looks like this:

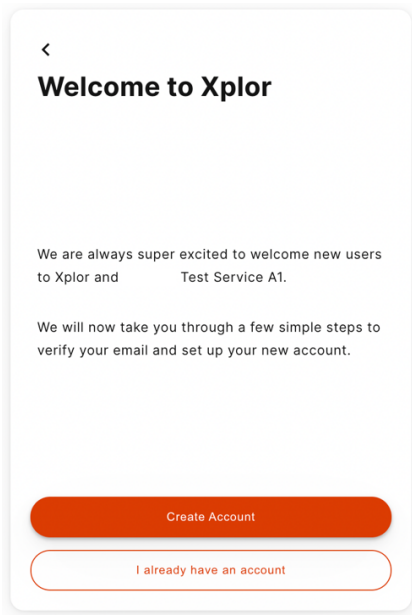

Once the centre has finalised your information and made your child active, you will receive a Welcome email that looks like this:

Click the orange 'Create Account' button, it will take you to the below screen.

As a new parent who has not created an account before, select 'Create Account.'

<

Welcome to Xplor

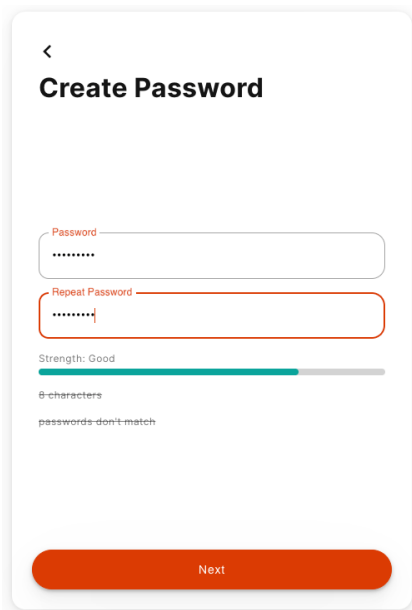

We are always super excited to welcome new users to Xplor and Test Service A1.

We will now take you through a few simple steps to verify your email and set up your new account.

Create Account

I already have an account

From here, create a password that is 8 characters in length and includes a capital letter, number and special character. Then press 'Next.'

<

Create Password
